

## CREDIT CARD AUTHORIZATION FORM

Please fill out this credit card authorization form and fax or post it to us in Fiji.

**Note:** NAI'A offers a built-in 3% discount for cash payment. All clients who pay via bank draft, personal, business or cashier's check or wire transfer receive a built-in 3% cash discount off NAI'A's normal price for a charter, land package or for air tickets. This 3% discount is already built into the package rates that are advertised on all of NAI'A's price sheets and also on the NAI'A website. However, clients who choose payment via credit card are freely waiving this built-in 3% discount. By this waiver they will pay our normal retail price for their booking -- which is 3% higher than the special cash-discount rate advertised on NAI'A's price sheets & on the internet.
